2. About PMKVY 3.0

- With an aim to empower country's youth and continue the journey of Skill India Mission in building India as the skill capital of the world, The Ministry of Skill Development and Entrepreneurship (MSDE), Government of India, launched the third phase of its flagship scheme— Pradhan Mantri Kaushal Vikas Yojana (PMKVY 3.0) on January 15, 2021.
- Like in the case of its predecessor scheme, PMKVY 3.0 also has three kind of training routes: Short term Training (STT) for fresh skilling of school / college dropouts and unemployed youth, Recognition of Prior Learning (RPL) to recognize the existing skills and Special Projects (SPL) to address skilling requirements of the vulnerable groups and permit certain flexibility in conduct of Short-Term Training (STT).

3. Objectives of PMKVY 3.0 (2020-21)

The objectives of the scheme are to:

- Create an ecosystem for the youth to make informed choices on the available skilling avenues.
- Provide support to youth for skill training and certification.
- Promote sustainable Skill Centres for greater participation of private sector.
- Benefit 8 lakh youth over the scheme period (2020-21)

4. Implementation Structure

This scheme will have two components:

- A. Centrally Sponsored Centrally Managed (CSCM) known as the Central Component to be implemented by the National Skill Development Corporation (NSDC).
- B. Centrally Sponsored State Managed (CSSM) known as the State Component to be implemented by the State Skill Development Missions (SSDMs) / respective Departments of the States / UTs.

Total target of the scheme will be divided approximately in the ratio of 75:25 between Central and State Components respectively. However, States having performed well and willing to take higher targets shall be allocated accordingly based on assessment of their performance.

5. Training Target

PMKVY 3.0, being a demand-driven scheme, training target may be dynamically fixed as per recommendations.

Based on the experiences from PMKVY 2.0 (2016-20), the tentative training target is as under:

Sl. No.	Types of Training under PMKVY 3.0	No of Candidates (in lakh)
1	PMKVY Short Term Training (STT)	2.20
2	PMKVY Recognition of Prior Learning (RPL)	5.80
	Total (1+2)	8.00

The Ministry of Skill Development and Entrepreneurship (MSDE) vide OM No. SCH-11/17/2020-SNP dated 14.12.2020 approved the allocation of training targets under PMKVY-STT. The OM can be referred at **Annexure-A** of this document.

6. Training Target for PMKVY CSCM- STT

Under the Centrally sponsored Centrally Managed (CSCM) component of STT under PMKVY 3.0. A total of 200,000 targets are to be allocated to training providers under this component.

The allocation of training targets to States and Districts under this scheme has been done on the basis of weighted means of indicator values under three categories namely, population, industry and labour supply.

7. Approach to Roll out PMKVY CSCM-STT

Under STT-CSCM PMKVY 3.0 for FY 20-21, the below mentioned broad routes for allocation of targets is considered:

Phase 1: Through Pradhan Mantri Kaushal Kendra (PMKK) Training Centers

Phase 2: Through Request for Proposal (RFP)

7.1 Phase 1: of PMKVY 3.0 CSCM-STT – Allocation of targets to PMKKs

In the 1st phase of implementation, targets were allocated to PMKKs based on an approved target allocation methodology. Of the total 200,000 targets, till date, 88,913 (~44% of total STT-CSCM targets of 2,00,000) have been allocated to 707 PMKK with a coverage of 622 districts across 33 States/ UTs. The Phase 1 targets covered 105 job roles identified across 26 Sectors.

The state wise breakup of targets allocated under Phase 1 to PMKKs can be found at **Annexure- B**

7.2 Phase 2 of PMKVY 3.0 CSCM-STT – Allocation through RFP

- Of the total 200,000 targets to be allocated under PMKVY 3.0 STT -CSCM, the remaining 1,11,087 targets (~55.5% of total targets) will be distributed through this RFP route.
- The allocation will be based on the job-roles which will be selected by the District Skills Committees (DSC) from the long list of all PMKVY 3.0 job-roles.
- In case some PMKKs are not able to start trainings, then the targets allocated to them under phase 1 shall be rolled back and moved to phase 2 of RFP in same district.

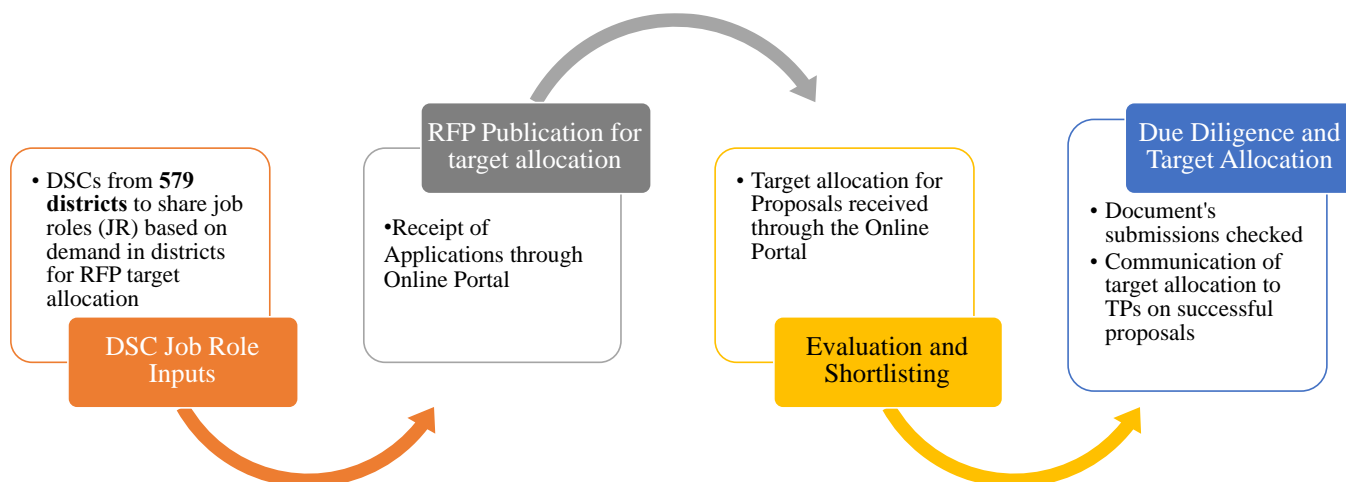

8. Details regarding the RFP process

This RFP is intended to implement Phase 2 of PMKVY 3.0 CSCM-STT with a total training target of 1,11,087 across 579 districts in 37 States/ UTs. The state and district wise breakup of the targets to be allocated under this RFP is given at **Annexure-I**.

Target allocation through RFP route would involve the below categories organizations:

- New Organizations
- Existing Organizations with performance history in STT-CSCM PMKVY 2016-20

The below process would be followed for allocation of targets under RFP:

DSC Job Role Inputs:

As PMKVY 3.0 is a demand driven scheme, the target allocation will be based on the job-roles which will be selected by the State Skill Development Mission (SSDMs) / District Skills Committees (DSCs) from the 333 job-roles listed under PMKVY 3.0.

MSDE vide OM No. SCH_11/17/2020-SNP dated January 6, 2021, (at **Annexure C**) has shared a template to all the DSCs to share the job roles in demand in their respective districts. Further the OM also enclosed a long list of job roles from which the DSCs can select the Job Roles.

RFP Application portal:

The applications for the RFP would be received through an online portal where interested and eligible Organizations can submit proposals. The link for the portal will be intimated on www.pmkvyofficial.org

The interested organizations need to register themselves on the portal and provide necessary information such as past skilling experience, financial details, and others. The organizations need to submit information on the proposed state, district, Training Center, and job role(s), where training under STT-CSCM PMKVY 3.0 would be implemented. The organizations would be required to submit necessary documents to support the information provided on the online portal.

Evaluation and Shortlisting:

The submitted proposals would be evaluated basis scoring matrix having the following parameters (not exhaustive):

- Past Skilling experience
- Financial Strength
- Job Role selection
- Training Infrastructure
- Others (like Placement performance among other key quality indicators)

Due Diligence and target allocation:

The eligible proposals, shortlisted as per the target allocation methodology, would be checked for the documents and information submitted by the organizations on the online portal. The due-diligence process will verify the information provided by the organizations.

Post successful due-diligence and necessary approvals, the organizations would be intimated with the allocation details.

OFFICE MEMORANDUM

Subject: In-principle approval of allocation of training (STT) target under PMKVY 3.0 (2020-21) -reg.

The undersigned is directed to convey the in-principle approval of Competent Authority (MSDE) with regard to allocation of Short Term Training (STT) target under PMKVY 3.0 (2020-21), which is as under:

2. Total short term training target of the scheme will be divided approximately in the ratio of 75:25 between Centrally Sponsored Centrally Managed (CSCM) and Centrally Sponsored State Managed (CSSM). The allocation of training target amongst districts and States under the scheme has been done on the basis of weighted mean of indicator values under three categories namely, population, industry and labour supply.

3. Based on the above, the allocation of training targets under both the component of PMKVY 3.0 (2020-21) is given as under:

- a. **Centrally Sponsored Centrally Managed (CSCM) component of PMKVY 3.0 (2020-21):** The CSCM component of PMKVY 3.0 will be implemented by National Skill Development Corporation (NSDC) with the active support of District Skill Committees (DSCs). In phase-1, it is informed that each Pradhan Mantri Kaushal Kendra (PMKK) training centre in a district would be allocated a target of 120 for maximum 3 job roles and minimum 2 job roles. In phase-2, target allocation would be done through a transparent Request for Proposal (RFP) mechanism. The district-wise allocation of target for the Short Term Training (STT) under the Centrally Sponsored Centrally Managed (CSCM) component of PMKVY 3.0 is given at **Annexure I**.
- b. **Centrally Sponsored State Managed (CSSM) component of PMKVY 3.0 (2020-21):** The CSSM component of PMKVY 3.0 will be implemented by State Skill Development Missions (SSDMs) of the States/ UTs with the active support of District Skill Committees (DSCs). SSDMs has been given flexibility to allocate district-wise target. DSC shall identify the job roles based on demand in the district. State-wise allocation of training targets for STT under CSSM component of PMKVY 3.0 is given at **Annexure II**. If the SSDMs/ DSCs fail to identify the job roles within the specified time, the balance allocation shall be made based on method prescribed for CSCM.

4. In view of above, NSDC and SSDMs are directed to commence the training of candidate in consultation with District Administrations (DSCs) latest by 15th January, 2021. Further, DSCs with support of NSDC/SSDMs are directed to start the process of mobilization of candidates, 1.5 times the training target, for early commencement

of training. It is also mentioned that the targets being given is for people to be enrolled, and not for people to be certified. It may be made clear, that if any person from the initially enrolled lot, drops out, then the State/ District/ Training Provider (TP) won't be free to substitute them. The OM regarding allocation of RPL target under PMKVY 3.0 would be issued separately. The detailed guidelines of the PMKVY 3.0 (2020-21) would be shared shortly.

5. This issues with the approval of Competent Authority (MSDE).

Encl: As above.
